## SKILLS

In my education and work experience, I've become familiar with news, feature, broadcast and technical writing formats as well as multimedia storytelling and photojournalism. I've worked behind the scenes in post-production, script writing and copy editing. I'm excellent at communication and time management and I thrive under a deadline. While I'm very organized and self-motivated, I enjoy collaborating with people whose strengths are different than mine.

## EXPERIENCE

### Office of Innovative Technology & Learning Design, University of Cincinnati

**Technical Writer/Editor | FEBRUARY 2018 - AUGUST 2018**

## EDUCATION

### University of Cincinnati

**BA in Journalism; Certificate in Digital Broadcasting | AUGUST 2017 - MAY 2019**

I transferred to UC after a stint in culinary school to pursue my writing passion and marry it with my insatiable appetite. I graduated cum laude from UC after two years of expedited journalism education. During my time at this university I earned almost 90 bylines in several publications.
